37 andrey shepilov on bob hope visit to lebanon this week.

recalls his visit to vietnam in 1972, draws attention to
similarities btwn lebanon and vietnam, recalling at the time white
house claimed u.s. troops would never be sent to vietnam and would
never take part in combat operations in that country. escalation
of u.s. interference in viet was speeded up when commanders there
were allowed to use firepower at their disposal without requesting
permission from washington. same right has now been given to rear
admiral jerry tuttle, cdr of u.s. naval force off lebanese coast.
u.s. peacemakers in lebanon must feel very sad indeed if they have
to turn to bob hope for help. (engna 2300) us

38 yuriy reshetnikov discusses u.s. threats to withdraw from
unesco, as washington seems to be unhappy with unesco's attitudes
and its criticism of washington's close ties with south african
regime and unqualified support for israel. world has changed
